

# Getting Older

Sam Fischer

[Verse 1]

Saw a bird in the parking lot  
Sittin' there chillin' cause he couldn't fly  
And the lady wanna drive by  
But I'm just tryna save a life

I reached down but he hopped away  
Further and further he went into harms way  
And now I'm starting to relate to  
Just what the fuck he's going through

[Pre-Chorus]

Oh, oh-oh  
Oh I've been down before, yeah I've lost it all  
Oh, oh-oh  
Oh now I'm up, and it's something kind of terrifying

[Chorus]

Cause I can't imagine getting older  
Does that mean I'm gonna die young?  
Does that mean I'm gonna die young?

I can't imagine getting older  
Does that mean I'm gonna die young?  
Does that mean I'm gonna die young?

[Verse 2]

I'm not worried about the aging process  
There's nothing wrong with that discount breakfast  
But all my friends are playing house  
And I'm sleeping in that guest house

So if the world has a plan for me  
Could I just take a fucking peek?  
I'm scared of the unknown  
Where do I go when it's time to go?

[Chorus]

I can't imagine getting older  
Does that mean I'm gonna die young?  
Does that mean I'm gonna die young?

I can't imagine getting older

Does that mean I'm gonna die young?  
Does that mean I'm gonna die young?

[Pre-Chorus]

Oh, oh-oh

Oh I've been down before, yeah I've lost it all

Oh, oh-oh

Oh now I'm up, and it's something kind of terrifying

[Chorus]

Cause I can't imagine getting older  
Does that mean I'm gonna die young?  
Does that mean I'm gonna die young?

I can't imagine getting older  
Does that mean I'm gonna die young?  
Does that mean I'm gonna die young?

(3x)
