

# Don't Ask My Neighbor

Bobby Caldwell

[Verse 1]

You're wondering if I care about ya  
Or if there's some cause that I should doubt ya  
Oh I can see girl  
That you don't know me very well, oh no  
You're so unsure  
You run here and there  
To ask my feelings  
My friends only guess  
They can't really say

[Chorus]

Don't ask my neighbors  
Don't ask the friends I hang around  
Don't be afraid  
Come to me  
Don't ask my neighbors  
Come to me  
Don't be afraid  
I want to see  
Don't ask my neighbors  
Come to me  
Don't be afraid

[Verse 2]

You ask all my friends  
If I'm the same girl  
You don't understand  
You think I'm changing

[Chorus]

Don't ask my neighbors  
Don't ask my friends  
Don't be afraid  
Come to me  
Don't ask my neighbors  
Come to me  
Don't be afraid  
Of what you see  
You'll find I love you  
Come to me  
Don't be afraid  
Oh my sweet baby I love you  
Honey all you got to do
