## N.E.R.D

Hey, I'm a little teapot short and stout  
There? s some shake-up'in around me know it's talk, and no doubt  
I pop the lid, the lid, it? s gon? be me I gonna no doubt  
Nothing'll happen if I don't open my mouthI ain? t a punk bitch, I don't give a fuck  
I'm just bein? me and speakin? from the gut  
Well it? s a little bit of us, a whole lot of you  
And we just came here to see what it doI'm right here, and I ain? t goin? nowhere  
You can turn tables and you can throw chairs  
I'm right here, and I ain? t goin? nowhere  
You can knock doors and tear up, ya'have to air soSpaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
I'm a little teapot blowin? off steam  
You put me on the heat, I don't whistle I scream  
Bang, bang, fuck a bed fuck a dream  
This is rage blowin? up your machineI'm a star bitch, I don't give a fuck  
Don't be surprised when this bitch start blowin? up  
Well its a little bit of us, a whole lot of you  
And we just came here to see what it doI'm right here, and I ain? t goin? nowhere  
You can turn tables and you can throw chairs  
I'm right here, and I ain? t goin? nowhere  
You can knock doors and tear up, ya'have to air soSpaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
And now I'm wakin? up layin? in the ambulance bed  
With somethin in my arm, I gotta get it off  
A tattoo with a line that'll read your mind  
And next is your mind, I gotta get it offThe shit they spray, attack my lungs everyday  
With a creeping decay, I gotta get it off  
By attacking these things, I earned my wings  
And my halo but first I gotta, get it offI'm right here, and I ain? t goin? nowhere  
You can turn tables and you can throw chairs  
I'm right here, and I ain? t goin? nowhere  
You can knock doors and tear up, ya'have to air soSpaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want toI'm right here, and I ain? t goin? nowhere  
You can turn tables and you can throw chairs  
I'm right here, and I ain? t goin? nowhere  
You can knock doors and tear up, ya'have to air soSpaz if you want to, spaz if you want

Spa-spaz if you want to, spaz if you want to  
Spaz if you want to, spaz if you want  
Spa-spaz if you want to, spaz if you want to
