Count so much money that my fingers cramp

All my niggas Wildin' we don't give a damn (loony)

Ask your main bitch she know who I am (Sosa Baby)

Rob him for his taxes if he's a son of Sam

Who gives a fuck, we don't care bout nothin' Fam!

Got money for a verse, send it through money gram

I'mma drop the top when I buy me a fast car

Kidnap this fuck nigga for some ransom

And if his mouth moving, my gun dance-ON

Keep that 50 cal. that bitch come in handy

It will open up a nigga like some candy (BOOM)

In the barrel, look like a Cambell's soup can

Banana clips in the closet like a fruit stand (HAHA)

One time I sit and watch a nigga snort a whole key

Muzzle on the rock, while it flash it goes bang

Spent a hundred grand one ring, no chain
Got em pitchin wild 100's, keep it 300
Man that head so good bought her a 300
