

# Timeless (feat. DJ SPINKING)

## A Boogie wit da Hoodie

I cannot waste no time, bitch, I'm really timeless  
I cannot leave my houses without diamonds  
All the faces on my watches, jump out it  
Change faces on the watches, now they frownin'  
I probably spent the 100 thousand on fly shit  
QP spent the 100 thousand on mileage  
Bruce Lee kick it with me, I be stylin'  
2 seater Bentley and it's topless  
And she's topless, naked bitch driver  
Papers and fronto wrapped around Sour  
I cannot waste no time, bitch, I'm really timeless  
I cannot waste no time, bitch, I'm really...I cannot waste no time, bitch, I'm really grindin'  
If I ever said, "I love you," I was lyin'  
I fuck with you but you was always like a side bitchCause I can never put nothin' over grindin'  
I just left my baby girl a message  
I said, I won't be comin' home  
Hah, that's a dub, bitch, I'm on the road  
Hah, and I need 20 thousand for a show  
Hah, I ain't walkin' through your club no more  
Hah, But if Lust hit me up I'll go  
Hah, SpinKing that's the fuckin' bro  
Hah, I fuck it up, I fuck it up some more  
We switch the flow up, if you a busta I'ma cut you off  
Bitch I'm goin' up  
Gettin' money, what the fuck you thought?  
Nigga, hold up it get ugly  
I'm a fuckin boss, hah  
Good now but I started off  
Just a young nigga runnin' 'round and the butter soft  
Try to run down on me nigga you should knock it off  
I ain't get lucky mothafucka  
Took a couple loses, yeah  
What u sayin'? You ain't really on shit  
Got zippers on my jeans like I'm Billy on this  
I ain't sippin' no more lean I've been trippin' off it  
I've been pissin' codeine and I ain't wit the shits, woah  
Rockstar lifestyle, might not make it  
Wake up faded still end up drinking  
Make-up on my t-shirt, I hate it  
R.I.P. t-shirts, I hate it  
Fall asleep, wake up still I'm faded  
Bubba prolly lost 50 K in vegas

Pour up purple and then make it turn pinkish  
Said that I was done with it but I'm still drinkin'  
I can't waste no time, I can't waste no time with it  
I can't waste no time, bitch, I'm really timeless  
I can't waste no time, bitch, I'm really timeless
