

Baptize Me

X Ambassadors & Jacob Banks

[Chorus: Sam Harris]

Cutting all ties, won't you baptize me?
'Cause life sometimes got me on my knees
I been prayin' for redemption, learnin' my lessons

My pain is my therapy
Cutting all ties, won't you baptize me?

Woah, set me free (Mmh)

Set me free (Mmh)

Just set me free (Mmh)

Set me free[Verse: Jacob Banks]

Wading in the water, won't you capsize me?
Roll all the dice, give me snake eyes please
Been praying from a savior through all my good behavior

My pain is my remedy
I'm waiting for somebody come and rescue me, oh

[Chorus: Sam Harris]

I'm cutting all ties, won't you baptize me?
'Cause life sometimes got me on my knees
Been prayin' for redemption, learnin' my lessons

The pain is my therapy
Cutting all ties, won't you baptize me?

Woah, set me free (Woah)

Set me free (Woah)

Come on, just set me free (Me free)

Yeah, just set me free, yeah

Set me free[Bridge: Sam Harris & Jacob Banks]

Wash me clean, set me free, just strip me of my fears
Wash me clean, set me free, just drown me in my tears
(Shaken by the hums, I'm runnin', creep up, pinching one)
Wash me clean, set me free, just strip me of my fears
(Shake me from the ones, I'm runnin', tomorrow, can't you help?)

Wash me clean, set me free, just drown me in my tears

[Chorus: Sam Harris]

Cutting all ties, won't you baptize me? (Won't you baptize me?)

'Cause life sometimes got me on my knees
Been prayin' for redemption, learnin' my lessons

My pain is my therapy
Cutting all ties, won't you baptize me?

Woah, set me free (Woah)

Set me free (Woah, won't you set me free?)

Set me free (Won't you set me free?)

Yeah, set me free, yeah[Outro]

Oh-ooh-oh-ooh-oh, oh-ooh-oh
Oh-ooh-oh-ooh-oh, oh-ooh-oh
