

# Mistakes

## Andra Day

Had to try the yellow grass  
I'm so glad you took me back  
Cause only you can make me so great again  
In the ring I'm losing ground  
Knock me out I hear 'em count  
But you put me on my feet and push me to win

And like a broken half a charm it don't feel right  
When we are apart we make the light  
And I promise I won't mess it up this time

Please don't let me make the same mistakes, yeah  
Mistakes yeah, mistakes  
Break the line and end it in a train wreck  
A train wreck, like always

Lost in space it's dark and cold  
A billion stars but I'm alone  
But your gravity helped me to descend  
Treading and too tired to move  
Drowning in the lake then you  
Throw your line and reel me back in again

And like a broken half a charm it don't feel right  
When we are apart we make the light  
And I promise I won't mess it up this time

Please don't let me make the same mistakes yeah  
Mistakes yeah, mistakes  
Break the line and end it in a train wreck  
A train wreck, like always

We finally made it through our darkest storm  
Darkest night, baby  
And I don't wanna make the same mistakes yeah, mistakes  
Mistakes  
I made, me back, again, again  
I made, me back, again, again

'Cause I don't want to make the same mistakes  
Oh, oh, oh

Like when the train hit the tracks baby  
And we broke down  
We finally made it through our darkest storm  
Darkest night, baby  
And I don't want to make the same mistake yeah, mistakes yeah  
Mistakes  
The mistakes I made won't hold me back again  
The mistakes I made won't hold me back again  
Same mistakes yeah, yeah, yeah
