

# New York Mining Disaster 1941

## Bee Gees

In the event of something happening to me,  
There is something I would like you all to see.  
It's just a photograph of someone that I knew. Have you seen my wife, mr. jones? Do you know  
what it's like on the outside?  
Don't go talking too loud, you'll cause a landslide, mr. jones. I keep straining my ears to hear a  
sound.  
Maybe someone is digging underground,  
Or have they given up and all gone home to bed,  
Thinking those who once existed must be dead. Have you seen my wife, mr. jones?  
Do you know what it's like on the outside?  
Don't go talking too loud, you'll cause a landslide, mr. jones. In the event of something  
happening to me,  
There is something I would like you all to see.  
It's just a photograph of someone that I knew.  
Have you seen my wife, mr. jones?  
Do you know what it's like on the outside?  
Don't go talking too loud, you'll cause a landslide, mr. j
