When It's Good (feat. LeAnn Rimes)

Marc Broussard

Got to apologize
Never meant to hurt you so
If I could go back in time
I'd make things right, baby, don't you know?So let's stop wasting time
'Cause there's only one way to go
We both know we can't deny
We only get one ride down that roadWhen it's good, it's good
When it's bad, it ain't that bad
Even when the hurt is all that you can feel
Then you know that love is real, yeah
I'm just a young man, I can't lie
This is all so new to me
Just trying to do things right
'Cause I'm in it for life and honey, I'm in deepThen baby take my hand, oh yeah
I won't let you slip away
And just try the best you can to be a better man
Each and every day, each and every dayWhen it's good, it's good
When it's bad, it ain't that bad, oh yeah
Even when the hurt is all that you can feel
Then you know that love is real, oh
When it's good, it's good
When it's bad, it ain't that bad
Even when the hurt is all that you can feel
Then you know that love is real
Know it's real, now I know
