That's What Friends Are For

Dionne Warwick, Elton John, Gladys Knight & Stevie Wonder

And I never thought I'd feel this way And as far as I'm concerned I'm glad I got the chance to say That I do believe, I love youAnd if I should ever go away Well, then close your eyes and try To feel the way we do today And then if you can remember Keep smiling, keep shining Knowing you can always count on me, for sure That's what friends are for For good times and bad times I'll be on your side forever more That's what friends are for (Stevie Wonder) Well, you came in loving me And now there's so much more I see And so by the way I thank you(Luther Vandross) Oh and then for the times when we're apart Well, then close your eyes and know The words are coming from my heart And then if you can remember(Stevie Wonder) Keep smiling and keep shining Knowing you can always count on Stevie, for sure That's what friends are for In good times and bad times I'll be on your side forever more That's what friends are for (Whitney Houston) Keep smiling, keep shining Knowing you can always count on me, for sure That's what friends are for For good times and bad times I'll be on your side forever more That's what friends are for(Luther Vandross) Keep smiling, keep shining Knowing you can always count on me, for sure That's what friends are for For good times and the bad times I'll be on your side forever more
