

# We Belong Together

Gavin DeGraw

[Chorus]

We belong together  
Like the open seas and shores  
Wedded by the planet force  
We've all been spoken for

[Verse 1]

The hammer may strike, be dead on the ground  
A net to my hand, a cross on his crown  
We're done if, who we're undone  
Finished if who we are incomplete  
As one, we are everything  
We are everything we need

[Chorus]

We belong together  
Like the open seas and shores  
Wedded by the planet force  
We've all been spoken for

[Verse 2]

What good is a life  
With no one to share?  
The light of the moon  
The honor of a swear  
We can try to live the way of which you speak  
Taste the milk of your mother Earth's love  
Spread the word of consciousness you see  
We are everything we need

[Chorus]

We belong together  
Like the open seas and shores  
Wedded by the planet force  
We've all been spoken for

[Bridge]

All this indecision  
All this independent strength  
Still

We've got our hearts on safe  
We've got our hearts on safe

[Outro]

Someday when you're lonely  
Sometime after all this bliss  
Somewhere lost in emptiness  
I hope you find this gift  
I hope you find this gift  
I hope you find this gift
