

# Crush

Jennifer Paige

Ahh, crush, ahhhI see ya blowin' me a kiss  
It doesn't take a scientist  
To understand what's going on baby  
If you see something in my eye  
Let's not over-analyze  
Don't go too deep with it babySo let it be, what it'll be  
Don't make a fuss and get crazy over you and me  
Here's what I'll do  
I'll play looseNot like we have a date with destiny  
It's just (aah) a little crush (crush)  
Not like I faint every time we touchIt's just (aah) some little thing (crush)  
Not like everything I do depends on you  
Sha-la-la-la, sha-la-la-la  
It's raising my adrenaline  
You're banging on a heart of tin  
Please don't make too much of it baby  
You say the word forever more  
That's not what I'm looking for  
All I can commit to is maybe  
So let it be what it'll be  
Don't make a fuss and get crazy over you and me  
Here's what I'll do  
I'll play loose  
Not like we have a date with destiny  
It's just (aah) a little crush (crush)  
Not like I faint every time we touch  
It's just (aah) some little thing (crush)  
Not like everything I do depends on you  
Sha-la-la-la, sha-la-la-la  
Vanilla skies (vanilla skies)  
White picket fences in your eyes  
A vision of you and me  
It's just (aah) a little crush (crush)  
Not like I faint every time we touch  
It's just (aah) some little thing (crush)  
Not like everything I do depends on you  
Sha-la-la-la  
Not like I faint every time we touch  
It's just (aah) some little thing  
Not like everything I do depends on you  
Sha-la-la-la  
Not like I faint every time we touch

It's just (aah) some little thing  
Not like everything I do
