

Future

Paramore

YeahYeahThat's how you had it, yeah
Pretty sureIt is, it's goes clapping a bitSomething just in that way
Alright, here we goYou go up and down this timeI'm writing the future
I'm writing it out, loud
We don't talk about the past
We don't talk about the past now
So, I'm writing the future
I'm leaving a key here
Something won't always be missing
You won't always feel emptierAh-ah, mm-mm
Ah-ah-ah-ah, mm-mmJust think of the future
And think of your dreams
You'll get away from here
You'll get away eventually
So, just think of the future
Think of a new life
And don't get lost in the memories
Keep your eyes on a new prizeAh-ah-ah, ah-ah
Ah-ah-ah, ah-ah
Mm
