

# In Bloom

## Sturgill Simpson

Sell the kids for food  
Weather changes moods  
Spring is here again  
Reproductive glands  
Hey - he's the one  
Who likes all our pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it means  
Don't know what it means, when I say:  
He's the one  
Who likes all our pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it means  
Knows not what it means when I say ah...  
We can have some more  
Nature is a whore  
Bruises on the fruit  
Tender age in bloom  
Hey - he's the one  
Who likes all our pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it means  
Don't know what it means, when I say:  
He's the one  
Who likes all our pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it means  
Knows not what it means when I say ah...  
He's the one  
Who likes all our pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it means  
Knows not what it means when I say:  
He's the one  
Who likes all our pretty songs  
And he likes to sing along  
And he likes to shoot his gun

But he knows not what it means  
Knows not what it means  
Knows not what it means  
Knows not what it means  
when I say ah...
