

# Gave Your Love Away

Majid Jordan

[Verse 1]

You said this would be the very last time  
I'll be seeing you  
'Cause you don't even wanna talk  
And you don't even wanna meet up, up  
You don't even wanna be friends  
Pretend you like me, ooh, oh, oh  
I take time for love  
It's right, your love takes hold of you  
Take time for love, babe  
And try my best to explain, yeah  
But I had to throw it all away, why?

[Chorus]

I said I love you, baby  
And, I, I gave your love away  
I said I love you, baby  
And, I gave, I gave your love away  
I said I love you, baby  
And, I, I gave your love away  
I said I love you, baby  
And, I, I gave your love away [Post-Chorus]  
I gave your love away  
I gave your love away  
I gave your love away  
No, no, no, no

[Verse 2]

I'm in the courtyard of your mansion in Westlake  
Feelin' a way about today, with a grey  
To get on, movin' along, checkin' my phone  
Thought I heard you call, I was wrong  
Why has it been so long [Chorus]  
I said I love you, baby  
And, I, I gave your love away  
I said I love you, baby  
And, I gave, I gave your love away [Outro]  
I gave your love away  
I gave your love away  
I gave your love away  
I gave your love away  
I gave your love away
