## Crawling

## **LINKIN PARK**

Crawling in my skin These wounds they will not heal Fear is how I fall Confusing what is realThere's something inside me that pulls beneath the surface Consuming Confusing This lack of self-control I fear is never-ending Controlling I can't seem To find myself again My walls are closing in Without a sense of confidence I'm convinced that there's just too much pressure to take I've felt this way before So insecureCrawling in my skin These wounds they will not healFear is how I fall Confusing what is realDiscomfort endlessly has pulled itself upon me Distracting Reacting Against my will I stand beside my own reflection It's haunting How I can't seem To find myself again My walls are closing in Without a sense of confidenceI'm convinced that there's just too much pressure to take I've felt this way before So insecure Crawling in my skin These wounds they will not heal Fear is how I fall Confusing what is realCrawling in my skin These wounds they will not heal Fear is how I fall Confusing, confusing what is real There's something inside me that pulls beneath the surface Consuming Confusing what is real This lack of self-control I fear is never-ending Controlling Confusing what is real
