

# Chasing After You

**Ryan Hurd & Maren Morris**

You come over when your wine's all gone  
Always catch me when I'm not that strong  
Then you wind up staying all night long  
Ain't nothin' new  
Then I wake up with you on my chest  
You got a way of making me forget  
Girl, with you the answer's always yes  
Every time you call  
But I know, yeah I know it's a matter of time  
'Til you walk, 'til you walk back out of my life  
Leave me standing here lonely, feeling like a fool, mm, mm  
Every time, every time you say we're done  
You come back to the love you were running from  
Don't know why, don't know why I let you, but I do  
Guess I love chasing after you, mm, mm, yeah  
Listen  
Wish I could quit you, but it feels too good  
If I could turn it off, you know I would  
But somethin' 'bout you makes me think we could  
Make it after all  
But I know, yeah I know it's a matter of time  
'Til you walk, 'til you walk back out of my life  
Leave me standing here lonely, feeling like a fool  
Every time, every time you say we're done  
You come back to the love you were running from  
Don't know why, don't know why I let you, but I do  
Guess I love chasing after you  
You come over when your wine's all gone  
Always catch me when I'm not that strong  
Then you wind up staying all night long  
Ain't nothin' new  
But I know, yeah I know it's a matter of time  
'Til you walk, 'til you walk back out of my life  
Leave me standing here lonely, feeling like a fool  
Yeah, every time, every time you say we're done  
You come back to the love you were running from  
Don't know why, don't know why I let you, but I do  
Guess I love chasing after you  
I love chasing after you  
Ooh, ooh
