

I'm a Midnight Mover

Bobby Womack

Ohhh! Help me!
I'm a midnight mover, all-night groover -- looky here --
I'm a midnight teaser, real soul pleaser
I'm a midnight hugger, all-night lover
Trust in me when you're down & out
I will always bring you out
Yeah, Yeah! Oh yeah!

Ohhh!
I'm a midnight teaser, real soul pleaser
I'm a midnight rover, after lookin' things over
I'm a midnight creeper, all-day sleeper -- looky here --
Trust in me when you're down & out
I will always bring you out
Ohhh! Ohhh!

Mover, groover, teaser, hugger
Walker, talker, lover, walker
Midnight mover -- Ohhh!
Got to be a midnight mover -- Ohhh
Got to be a midnight mover -- Ohhh
Got to be a midnight mover...
