

# Lil' Devil

## The Cult

Yeah, yeah Livin' in a shack in a one-horse town  
Trying to get to heaven 'fore the sun goin' down  
Lizard in a bottle, yeah  
Dizzy in a haze for 40 days  
Hey there, lil' devil Come on lil' devil, be my little angel  
Come on lil' devil, be my angel, oh Oh, she came on with an alligator smile  
Dynamite lover, scorpion child  
Trying to get to heaven 'fore the sun goes down, yeah  
She came on with a cyclone kiss  
Hey there baby, you don't never miss  
Lizard in a bottle, oh yeah  
Come on lil' devil, be my little angel  
Come on lil' devil, be my  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah  
Come on lil' devil, be my little angel  
Come on lil' devil, be my little angel, angel  
Come on lil' devil, be my little angel  
Come on lil' devil, be my, oh be my, a-a-a-angel
