

# Good Vibes

Chris Janson

I ain't watchin' TV today  
Bad news, it can just stay away  
If you ain't got anything good to say  
Then shut your mouth I got my windows down and my [?]  
Radio set to my favorite song  
All green lights on the road I'm on  
And there's ain't no doubt I'm gettin' them good vibes  
I'm havin' this good life  
I'm breathin' on God's time  
And I ain't gonna waste one breath  
I'm soakin' it all up  
I got me a full cup  
And there ain't nothing spill it  
Nothin' gonna kill it  
Wavin' them worries goodbye  
I'm feelin' them good vibes  
I ain't tryna hear the negative (nope)  
I'm just tryna change the narrative  
Hell, it's simply imperative  
And we all have a damn good time I'm gettin' them good vibes  
I'm havin' this good life  
I'm breathin' on God's time  
And I ain't gonna waste one breath  
I'm soakin' it all up  
I got me a full cup  
And there ain't nothing spill it  
Nothin' gonna kill it  
Wavin' them worries goodbye  
I'm feelin' them good vibes I gotta good girl, she got a good smile  
I kiss her good morning, I kiss her goodnight  
We keep it on the up, that's how we get down  
So don't be comin' around  
'Less you got them good vibes  
I'm havin' this good life  
I'm breathin' on God's time  
And I ain't gonna waste one breath  
I'm soakin' it all up  
I got me a full cup  
And there ain't nothing spill it  
Nothin' gonna kill it  
Wavin' them worries goodbye I'm feelin' them good vibes  
I'm breathin' on God's time

And I ain't gonna waste one breath  
I'm soakin' it all up  
I got me a full cup  
And there ain't nothing spill it  
Nothin' gonna kill it  
Wavin' them worries goodbye  
I'm feelin' them good vibes  
Oh I'm feelin' them good vibes  
Yeah
