

# Who's Got Your Love

## Cheat Codes & Daniel Blume

[Verse 1]

I've been thinking 'bout you lately  
You been on my mind, on my mind, yeah  
Do you think about me, baby?  
Maybe once or twice, once or twice  
Tell me...

[Chorus]

Who's got your love tonight?  
Got your love tonight? (Who)  
Who's got your love tonight?  
Got your love tonight? (Who)  
Who's got your love tonight?  
Got your love tonight? (Who)  
Who's got your love tonight?  
Got your love tonight? (Who)  
Who's got your love tonight?  
Got your love tonight? (Who)  
Who's got your love tonight?  
Got your love tonight? (Who)

[Verse 2]

I've been thinking 'bout you lately  
You been on my mind, on my mind, yeah  
Do you think about me, baby?  
Maybe once or twice, once or twice  
Tell me...

Do you ever think about hitting up my phone some nights?  
Just to talk, talk, talk one more time, yeah (Yeah, tell me)

[Chorus]

Who's got your love tonight?  
Got your love tonight? (Who)  
Who's got your love tonight?  
Got your love tonight? (Who)  
Who's got your love tonight?  
Got your love tonight? (Who)  
Who's got your love tonight?  
Got your love tonight? (Who)

[Outro]  
Now I'm lost in all my feelings  
Is it real or am I dreaming?  
Now I'm lost in all my feelings  
Is it real or am I dreaming about you?  
Dreaming about you  
Dreaming about you  
Dreaming about you
