

# Never Be Alone (feat. Aloe Blacc)

## David Guetta & MORTEN

[Chorus]

You hold my heart in the palm of your hands  
I'll carry you to the promised land  
We'll find the place and we'll build a home  
And we'll never be alone  
No, never be alone  
Oh, never be alone  
Never be alone

[Drop]

[Chorus]

You hold my heart in the palm of your hands  
I'll carry you to the promised land  
We'll find the place and we'll build a home  
And we'll never be alone  
No, never be alone  
Oh, never be alone  
Never be alone  
Never be alone

[Drop]

[Post-Drop]

Never be alone  
Yeah  
Never be alone  
Oh  
Oh yeah  
Never be alone  
We'll never be, never be alone  
Never be alone  
Oh no  
Never be alone
