

You're the Best Thing About Me

U2 & Kygo

[Verse 1]

When you look so good, the pain in your face doesn't show
When you look so good, baby, you don't even know
When the world is ours but the world is not your kind of thing
Full of shooting stars, brighter as they're vanishing
Oh you've seen enough to know it's children who teach
You're still free enough to wake up on a bed or a beach

[Chorus]

You're the best thing about me
The best thing that ever happened a boy
You're the best thing about me
I'm the kind of trouble that you enjoy
You're the best thing about me
The best things are easy to destroy
You're the best thing about me
The best thing about me

[Drop]

[Post-Chorus]

Why am I
Why am I walking away?
Why am I walking away?

[Verse 2]

I'll be crying out, "How bad can a good time be?"
Shooting off my mouth, that's another great thing about me
I have everything but I feel like nothing at all
There's no risky thing for a man who's determined to fall

[Chorus]

You're the best thing about me
The best thing that ever happened a boy
You're the best thing about me
I'm the kind of trouble that you enjoy
You're the best thing about me
The best things are easy to destroy
You're the best thing about me

The best thing about me

[Drop]

[Outro]

The best thing

The best thing
