Cruel World

[Seeb & Skip Marley](#)

[Intro]
Put it down, yeah
Put it down, yeah

[Verse 1]
This situation's wrong 'cause they wanna fool me
They tell me to go
Go a million miles from you
I've got to learn to learn what is important
There's so many doors
And there's a million things to choose

[Pre-Chorus]
This Russian roulette getting tired
I say put down the gun, put down the gun, put down the gun
They keep trying to put out this fire
I say put down the gun, put down the gun, put down the gun

[Chorus]
You got to rise up, yeah
You got to find truth, I yah
Baby, we've been living in a cruel, cruel world
Been living in a cruel, cruel world
You only need love, yeah
They can't hide the truth, I yah
Baby, we've been living in a cruel, cruel world
Been living in a cruel, cruel world, yeah

[Drop]
And there's a million things to love
And there's a million things to love

[Verse 2]
Nowadays it's cold, we used to be golden
I said we are torn
By the struggles and conflict
I see you risk it all, it must be important
But what do you want?
Need more loving and understanding, yeah

[Pre-Chorus]
This Russian roulette getting tired
I say put down the gun, put down the gun, put down the gun
They keep trying to put out this fire
I say put down the gun, put down the gun, put down the gun

[Chorus]
You got to rise up, yeah
You got to find truth, I yah
Baby, we've been living in a cruel, cruel world
Been living in a cruel, cruel world
You only need love, yeah
They can't hide the truth, I yah
Baby, we've been living in a cruel, cruel world
Been living in a cruel, cruel world, yeah

[Drop]
And there's a million things to love
And there's a million things to love

[Chorus]
You got to rise up, yeah
You got to find truth, I yah
Baby, we've been living in a cruel, cruel world
Been living in a cruel, cruel world
You only need love, yeah
They can't hide the truth, I yah
Baby, we've been living in a cruel, cruel world
Been living in a cruel, cruel world, yeah

[Outro]
Yeah, Ohh world
Put it down, yeah
Put it down, yeah
