

# About Love

## MARINA

[Verse 1]

Started in the strangest way

Didn't see it coming

Swept up in your hurricane

Wouldn't give it up?for?nothing

Now I'm all?caught up in the highs and?the lows

It's a shock to my system

I don't wanna run away so I stay

[Pre-Chorus]

My head gets messy when I try to hide

The things I love about you in my mind

[Chorus]

I don't really know a lot about love

A lot about love, a lot about love

But you're in my head, you're in my blood

And it feels so good, it hurts so much

I don't really know a lot about love

A lot about love, a lot about love

But you're in my head, you're in my blood

And it feels so good, it hurts so much (So much)

Feels so good, it hurts so much

[Post-Chorus]

Oh-oh-oh, ooh-ooh-ooh

Oh-oh-oh, ooh-ooh-ooh

Oh-oh-oh, ooh-ooh-ooh

But you're in my head, you're in my blood

And it feels so good, it hurts so much

[Verse 2]

Think about the time it took for our paths to cross

Read me like an open book

I was found and lost

Now I'm all caught up in the highs and the lows

It's a shock to my system

I know that our love was fate, so I stay

[Pre-Chorus]

My head gets messy when I try to hide

The things I love about you in my mind

[Chorus]

I don't really know a lot about love  
A lot about love, a lot about love  
But you're in my head, you're in my blood  
And it feels so good, it hurts so much  
I don't really know a lot about love  
A lot about love, a lot about love  
But you're in my head, you're in my blood  
And it feels so good, it hurts so much

[Post-Chorus]

Oh-oh-oh, ooh-ooh-ooh  
Oh-oh-oh, ooh-ooh-ooh  
Oh-oh-oh, ooh-ooh-ooh  
But you're in my head, you're in my blood  
And it feels so good, it hurts so much

[Pre-Chorus]

My head gets messy when I try to hide  
The things I love about you in my mind

[Chorus]

I don't really know a lot about love  
A lot about love, a lot about love  
But you're in my head, you're in my blood  
And it feels so good, it hurts so much

I don't really know a lot about love  
A lot about love, a lot about love  
But you're in my head, you're in my blood  
And it feels so good, it hurts so much

[Post-Chorus]

Oh-oh-oh, ooh-ooh-ooh  
Oh-oh-oh, ooh-ooh-ooh  
Oh-oh-oh, ooh-ooh-ooh  
But you're in my head, you're in my blood  
And it feels so good, it hurts so much
