You Ain't Livin' Till You're Lovin'

Marvin Gaye & Tammi Terrell

You think you're so way out
And you got all the action
Still you can't find no satisfaction
Baby, try me and I'll make you seeYou ain't livin' until you're lovin', baby
You ain't livin' until you're lovin', baby
Ooh, until you fall you ain't livin' at all
Ah ah, at allYou like to kiss and run and that's where it is
'Cause somebody told you love was
Heartaches and tears
Baby, although you're free
I'll make you see
You ain't livin' until you're lovin', baby
You ain't livin' until you're lovin', baby
Ooh, until you fall you ain't livin' at all
You ain't livin' at allTo be in love, I know it's not your ambition
But before you go think about my proposition
You may conquer the world and be king on a throne
But you still ain't nobody, baby
When you're sittin' all aloneYou ain't livin' until you're lovin', baby
You ain't livin' until you're lovin', baby
Ooh, until you fall you ain't livin' at allYou ain't livin' until you're lovin', baby
You ain't livin' until you're lovin', baby
Ooh, until you fall you ain't livin' at all, baby, no, no
I wanna say
You ain't livin' until you're lovin', baby
You ain't livin' until you're lovin', baby
Ooh, until you fall you ain't livin' at allYou ain't livin' until you're lovin', baby
You ain't livin' until you're lovin', baby
Ooh, until you fall you ain't livin' at all
