

MAYBE

The Kid LAROI

Drown my sorrows in this bottle
Won't like wakin' up tomorrow
I'm the only one that cares about myself And you don't need me like I need you
So if I go, maybe I'll free you
But I'll be lost, to tell the truth, I need your help And even you can't fix my problems
Like you once did, I'm too hollow
I can't talk to you no more and I can't tell
If it's me or if it's you, 'cause
You don't even pick up my calls no more
I'm drunk and left alone with all my thoughts So maybe, maybe I'm drivin' me crazy
Maybe it's me and it's not you
I'm not too good at admitting when I fuck up
But maybe, maybe it's you who could save me
I got love for you, but I hate me
So maybe there's no way to change me
So maybe, maybe I'm drivin' me crazy
Maybe it's me and it's not you
I'm not too good at admitting when I fuck up
But maybe, maybe it's you who could save me
I got love for you, but I hate me
So maybe there's no way to change me, yeah No way that I'll ever change
Zoomed out and laid out next to my brain
I said I'm okay, but no way
It's more than I can take
And there's no one to blame but me
No need to wait for me
Why do you pick me up just to break me?
That's what you say to me
Why do you play with me?
You won't ever understand
So maybe, maybe I'm drivin' me crazy
Maybe it's me and it's not you
I'm not too good at admitting when I fuck up
But maybe, maybe it's you who could save me
I got love for you, but I hate me
So maybe there's no way to change me So maybe, maybe I'm drivin' me crazy
Maybe it's me and it's not you
I'm not too good at admitting when I fuck up
But maybe, maybe it's you who could save me
I got love for you, but I hate me
So maybe there's no way to change me
