

# Cut the Mullet

Wesley Willis

do something about your long filthy hair

it looks like a rat's nest

do something about your mullet

get out the hair clippers, jerk

cut the mullet(4x)

get the rat's nest off your head

get that crazy ass mullet off your skull

take your ass to the barber shop

tell the barber that your sick of looking like an asshole

cut the mullet(4x)

the mullet is the reason that people hate you

they are sick of looking at your nappy wheat sack

nobody wants to look at you with that mullet on your head

what dont you cut that mullet you numbskull

cut the mullet(4x)
