

Protect Your Mind (Braveheart)

DJ Sakin & Friends

Braveheart, you are my Braveheart
Take me in your arms
You are my Braveheart
Fighting so we can be free
Fighting for our dignity
Fighting for the truth and then
We can go and live again
Fighting for the way that's right
Fighting for our truth at night
Fighting up until the dawn
He won't stop until he's won
This is where he's going to start
This is my one true Braveheart
Braveheart, you are my Braveheart
Hold me in your arms
You are my Braveheart
Braveheart, you are my Braveheart
Hold me in your arms
You are my Braveheart!
