

# Be Alright

## Surfaces

[Alexa:]

We'll be alright  
We'll be alright  
We'll be alright  
We'll be alright

[Forrest:]

Head stuck to my pillow  
Sunshine sneaking up through the window  
Three birds peeping in the weeping willow  
And no signal  
I got ripped jeans cause my hand me downs holy  
Flaked on by my fridge like tony  
Guess I'll be eating all the words you say  
And you say everything is gunna be okay 'cause

[Alexa:]

We'll be alright  
We'll be alright  
We'll be alright  
We'll be alright

[Forrest:]

And now the breeze got us feeling good  
Cruising 'round the neighborhood  
Living like a child would  
And love you like my mama could  
Windows down if I'm around surround the oxygen with sound  
You could be my lucy let's kick it like charlie brown  
Woah baby loosen up that load you're afraid to lose control  
You should listen to your soul

[Alexa:]

We'll be alright  
We'll be alright  
We'll be alright  
We'll be alright

[Forrest:]

Man I used to stay awake all night  
And wonder if I'm worth the fight  
But I woke up I'm still alive  
That's how I know we'll be alright

Used to stay awake all night  
And wonder if I'm worth the fight  
But I woke up I'm still alive  
That's how I know we'll be alright
