

# Girls Chase Boys

Ingrid Michaelson

All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls I'm a little let down but I'm not dead  
There's a little bit more that has to be said  
You play me, now I play you too  
Let's just call it over  
All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls  
Chase girls chase boys chase boys chase girls I'm a little bit home but I'm not there yet  
It's one to forgive but it's hard to forget  
Don't call me, I won't call you too  
Let's just call it over All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls  
All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls  
Chase girls chase boys chase boys chase girls I've got two hands, one beating heart  
And I'll be alright, I'm gonna be alright I've got two hands, one beating heart  
And I'll be alright, I'm gonna be alright  
All the broken hearts in the world still beat Let's not make it harder than it has to be  
Oh, it's all the same.  
Girls chase boys chase girls  
All the broken hearts in the world still beat Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls  
All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls  
All the broken hearts in the world still beat

Let's not make it harder than it has to be  
Oh, it's all the same thing  
Girls chase boys chase girls  
Oh, it's all the same thing  
Girls chase boys chase girls
