Austin

Blake Shelton

She left without leavin' a number
Said she needed to clear her mind
He figured she'd gone back to Austin
'Cause she talked about it all the time
It was almost a year before she called him up

Three rings and an answering machine is what she gotIf you're callin' 'bout the car I sold it

If this is Tuesday night I'm bowling

If you've got somethin' to sell, you're wastin' your time, I'm not buyin' If it's anybody else, wait for the tone,

You know what to do

And P.S. if this is Austin, I still love you

The telephone fell to the counter

She heard but she couldn't believe

What kind of man would hang on that long

What kind of love that must be

She waited three days, and then she tried again

She didn't know what she'd say,

But she heard three rings and thenIf it's Friday night I'm at the ballgame

And first thing Saturday, if it don't rain

I'm headed out to the lake

And I'll be gone, all weekend long

But I'll call you back when I get home

On Sunday afternoon

And P.S. If this is Austin, I still love youWell, this time she left her number

But not another word

Then she waited by the phone on Sunday evenin'

And this is what he heard

If you're callin' 'bout my heart

It's still yours

I should've listened to it a little more

Then it wouldn't have taken me so long to know where I belong And by the way, boy, this is no machine you're talkin' to

Can't you tell, this is Austin, and I still love you still love you
