

# The Girl I Love

Tony Bennett & Sheryl Crow

Someday she'll come along, the girl I love  
Her smile will be a song, the girl I love  
And when she comes my way  
I'll do my best to make her stay  
I'll look at her and smile,  
She'll understand  
And in a little while I'll take her hand  
And though it seems absurd  
I know we both won't say a word  
Maybe I will meet her Sunday  
Maybe Monday, maybe not  
But I'm sure I'll meet her one day  
Maybe Tuesday will be my good news day  
I'll build a little home, just meant for two  
From which we'll never roam; Who would, would you?  
And so all else above I'm waiting for the girl I love  
Someday she'll come along, the girl I love  
Her smile will be a song, the girl I love  
When she comes my way  
I'll do my best to make her stay  
I'll build a little home, just meant for two  
From which we'll never roam; Who would, would you?  
So all else above I'm waiting for the girl,  
The girl I love
