

One More Day (feat. Charlie Wilson)

Snoop Dogg

[Verse 1: Charlie Wilson]

It's just one more day
The lord has kept me (woah-woah-woah)
Oh, don't rush, keep the pace
I'm focused on my goal
I need to tell the story, yeah[Pre-Chorus: Charlie Wilson]
Get together in a state to make me great
Even when I fell flat on my face
You gave me grace
Lord knows that, I haven't been an angel and I'm no saint
But I'll always take the time to give you face

For all you've done for me

[Chorus: Choir + (Charlie Wilson)]

One more day (one more day)

One more day (God)

God has given us (one more day)

One more day (one more day)

One more day (come on children)

One more day (God)

God has given us (one more day)

One more day (God)

God has given us (one more)

One more[Verse 2: Charlie Wilson + (Choir)]

It's just one more day

That the lord has kept me (woah-oah-oah)

And I take this special moment (special moment)

To tell you about my life, the ups and downs

You don't know the half, it was almost a wrap for me

[Pre-Chorus: Charlie Wilson]

Get together in a state to make me great

Even when I fell flat on my face

You gave me grace

Lord knows that, I haven't been an angel and I'm no saint

But I'll always take the time to give you face

For all you've done for me[Chorus: Choir + (Charlie Wilson)]

One more day (ooh-wee)

One more day (oh-a)

God has given us (one more day)

One more day (can you sing it again?)

One more day (oh-oh, one more)

One more day (God)

God has given us (has given us)

One more day (sing it again)
God has given us (one more)
One more (one more day)[Verse 3: Charlie Wilson]
He picked me up
And he turned me around
And he placed my feet
And I'm looking pretty good right now
First crackhead, that you ever did see[Refrain: Charlie Wilson + (Choir)]
But listen, I got a feeling (I got a feeling)
It's gonna be alright (it's gon' be alright)
I got a feeling (I got a feeling)
It's gonna be alright (it's gon' be alright)
I got a feeling (I got a feeling)
It's gonna be alright (it's gon' be alright)
With you by my side (you by my side)
We gonna win the fight (we gon' win the fight)
Oh, I got a feeling (I got a feeling)
I got a feeling (I got a feeling)
I got a feeling (I got a feeling)
I got a feeling (I got a feeling)
I got a feeling (I got a feeling)
It's gonna be alright (it's gon' be alright)
I got a feeling (I got a feeling)
It's gonna be alright (woah-woah-woah)
With you by my side (you by my side)
We gonna win the fight (we gon' win the fight)
I got a feeling (I got a feeling)
It's gonna be alright (it's gon' be alright)
I got a feeling (I got a feeling)
It's gonna be alright (it's gon' be alright)
I got a feeling (I got a feeling)
I got a feeling (I got a feeling)
I got a feeling, feeling, yee, yeah
Oh-oh, yeah
