

# Thy Will

## Hillary Scott & The Scott Family

I'm so confused  
I know I heard you loud and clear  
So I'll follow through  
Somehow I ended up here I don't wanna think  
I may never understand  
That my broken heart is a part of your plan  
When I try to pray  
All I got is hurt  
And these four words  
Thy will be done  
Thy will be done  
Thy will be done I know you're good  
But this don't feel good right now  
And I know you think  
Of things I could never think about It's hard to count it all joy  
Distracted by the noise  
Just trying to make sense of all your promises  
Sometimes I gotta stop  
Remember that you're God  
And I am not  
So thy will be done  
Thy will be done  
Thy will be done  
Like a child on my knees all that comes to me
