

# Burial (Skrillex & Trollphace Remix)

## Yogi

[Intro: Ayak]

Ayo! Are you ready?

Me say Pusha T

Me ah gon' conquer them

Me ah gon' come, kill and conquer

Run tune, my lord (Push)

[Chorus: Pusha T & Ayak]

I came, I saw, I conquered, I balled

I came, I saw, I conquered, I balled

I came, I saw, I conquered, I balled

I came, I saw, I conquered, I balled

I came, I saw, I conquered, I balled

Yogi said get em so I got 'em all (Yuugh!)

And turned this bitch into a burial

[Pusha T]

Yuh

Yuh

[Verse: Pusha T]

Lookin' from the top floor, why would I stop for?

Still hear the crowd cheers, while I'm thinkin' encore

Flyin' on a Concorde, listening to Tom Ford

Frames match the song title, flyer than a Condor

Little niggas rhyme poor, poverty flows in ya

Part of beatin' hoes in, I am who you're tryin' for?

I think not - Pusha, stay hot

The coupe's got no roofs, forever they stay drop, nigga

[Pusha T]

Yuh

Yuh

Yuh
