

The Closer I Get to You

Donny Hathaway & Roberta Flack

The closer I get to you
The more you make me see
Like giving me all you got
Your love has captured me Over and over again I try to tell myself
That we could never be more than friends
And all the while inside I knew it was real
The way you make me feel Lying here next to you
Time just seems to fly
Needing you more and more
Let's give love a try
Sweeter than sweeter, love grows
And heaven's there for those
Who fool the tricks of time
With the hearts in love you find
True love in a special way The closer I get to you
The more you make me see
By giving me all you got
Your love has captured me Over and over again I try to tell myself
That we could never be more than friends
And all the while inside I knew it was real
The way you make me feel The closer I get to you
The more you'll make me see
By giving you all I got
Your love has captured me
The closer I get to you
The feeling comes over me
(Me too)
Pulling closer
Sweet is the gravity
