Now, this little girl was born to dance my good side, my bad side was worrying me You see the

four walls are getting me down I gotta get on a merry-go-round

Tonight I'll be free I'm gonna dance like I belong to me Tonight I'm gonna dance, dance, dance,  
dance, dance Tonight I'm gonna dance like I belong to me

and a fresh attitude I'm tired now I can't take it nomore
