

# I See Fire

Peter Hollens

[Intro]

Oh, misty eye of the mountain below  
Keep careful watch of my brothers' souls  
And should the sky be filled with fire and smoke  
Keep watching over Durin's sons

[Verse 1]

If this is to end in fire  
Then we shall all burn together  
Watch the flames climb high into the night  
Calling out father, stand by and we will  
Watch the flames burn auburn on the mountain side

[Verse 2]

And if we should die tonight  
We should all die together  
Raise a glass of wine for the last time  
Calling out father, prepare as we will  
Watch the flames burn auburn on the mountain side  
Desolation comes upon the sky

[Chorus]

Now I see fire, inside the mountain  
I see fire, burning the trees  
And I see fire, hollowing souls  
I see fire, blood in the breeze  
And I hope that you remember me

[Verse 3]

Oh, should my people fall  
Then surely I'll do the same  
Confined in mountain halls  
We got too close to the flame  
Calling out father hold fast and we will  
Watch the flames burn auburn on the mountain side  
Desolation comes upon the sky

[Chorus]

Now I see fire, inside the mountain  
I see fire, burning the trees

And I see fire, hollowing souls  
I see fire, blood in the breeze  
And I hope that you remember me (hope that you remember me)

[Bridge]

And if the night is burning  
I will cover my eyes  
For if the dark returns then  
My brothers will die  
And as the sky's falling down  
It crashed into this lonely town  
And with that shadow upon the ground  
I hear my people screaming out

[Outro]

And I see fire, inside the mountain  
I see fire, burning the trees  
I see fire, hollowing souls  
I see fire, blood in the breeze  
I see fire, oh you know I saw a city burning (fire)  
I see fire, feel the heat upon my skin (fire)  
And I see fire (fire)  
And I see fire burn auburn on the mountain side
