

City of Dreams (feat. Ruben Haze)

Dirty South & Alesso

Everything seems like a city of dreams
I never know why
But I still miss you There she's standing in a field of lies
I close my eyes
But I still miss you Whoa-oh-oooh, whoa-oooh
I still miss you
Whoa-oh-oooh, whoa-oooh
I still miss you Everything seems like a city of dreams
I never know why
But I still miss you There she's standing in a field of lies
I close my eyes
But I still miss you
Whoa-oh-oooh, whoa-oooh
I still miss you
Whoa-oh-oooh, whoa-oooh
I still miss you
