

# Voices

Chris Young

You could say I'm a little bit crazy.  
You could call me insane.  
Walking around with all these whispers,  
Running around here in my brain.  
I just cant help but hear em,  
Man I can't afford it, I hear voices,  
I hear voices! Like, my dad saying work that job,  
but don't work your life away.  
And, momma telling me to drop to drop some cash  
into the offering plate on Sunday.  
And, Granddad saying you can have a few,  
but don't ever cross that line.  
Yeah!, I hear voices all the time!  
Turns out I'm pretty dang lucky,  
for all that good advice.  
Those hard to find words of wisdom,  
hold up here in my life.  
And just when I lost my way,  
or I got too many choices, I hear voices,  
I hear voices! Like, my dad saying quit that team,  
And, you'll be a quitter for the rest of your life.  
And, momma telling me to say a prayer,  
everytime I lay down at night.  
And, Grandma saying if you find the one,  
you better treat her right,  
Yeah!, I hear voices all the time. Sometimes I try to ignore them.  
But I thank God for them.  
They make me who I am...  
My dad saying work that job,  
but don't work your life away.  
And, momma telling me to drop to drop some cash  
into the offering plate on Sunday.  
And, Granddad saying you can have a few,  
but don't ever cross that line.  
Yeah!, I hear voices all the time! Yeah!, I hear voices all the time!  
all the time...
