

# Can't Stand It

## Never Shout Never

Baby, I love you  
I never want to let you go  
The more I think about,  
The more I want to let you know...  
That everything you do,  
Is super fucking cute  
And I can't stand it I've been searching for  
A girl that's just like you  
Cause I know  
That your heart is true Baby, I love you  
I never want to let you go  
The more I think about,  
The more I want to let you know...  
That everything you do,  
Is super duper cute  
And I can't stand it  
Let's sell all our shit,  
And run away  
To sail the ocean blue  
Then you'll know,  
That my heart is true Baby, I love you  
I never want to let you go  
The more I think about,  
The more I want to let you know...  
That everything you do,  
Is super duper cute  
And I can't stand it You, you got me where you want me  
Cause I'll do anything to please you  
Just to make it through...  
Another year  
You, I saw you across the room  
And I knew that this was gonna  
Blossom into something beautiful.  
You're beautiful. Baby, I love you  
I never want to let you go  
The more I think about,  
The more I want to let you know...  
That everything you do,  
Is super duper cute  
And I can't stand it  
Baby, I love you  
I never want to let you go

The more I think about  
The more I want to let you know  
That everything you do  
Is super duper cute  
And I can't stand it And I can't stand it  
No I can't stand it
