

Smile

G-Unit

Yea, this somethin special y'know, somethin' epic
Lloyd Banks, you know
'Cause a nigga thuggin' don't mean he don't
Wanna see you smile babyWoo, I wanna be the reason you smile
I wanna be the reason you smile
I wanna be the reason you smile
After you wipe away your tears and dry your eyesI'm gettin' the feelin' you wanna take revenge
From the conversations we have and the way it ends
You wanna discuss me in front of your lady friends
That's why it's just me and my Mercedes Benz
It all depends, maybe if we make amends
We can start from scratch, ahan
Learn to control your temper and remarks in fact
We plan to be platonic but the hearts in tact
So everytime we separate, somebody's marchin' back
You're amazin' in the sack
Eyes slanted like you're Asian, but you're black
God bless whoever gave you all of that
If you seen her from the back
You'd understand why dis feel like that
And ain't a flaw to her toes, the Lord knows
Her pussy good enough to miss award shows
And I ain't gotta say nothin, she just knows
By the way I look at her to take off all her clothes
Up and down
Whenever I'm not around, and you feelin' down
Let the thought of me be
Be the reason you smile
I don't wanna see you frown, like them kids watch a clown
I wanna bring you joy and be
Be the reason you smile
Baby, you know my style, you know how I get down
I provide by any means to be
Be the reason you smile
We done been through ups and downs, had drama for a while
I'm just happy I'm around to be
Be the reason you smile
The main reason I been lookin' at you pitiful
What about the half of this shit I done did to you
Violated and tip toed into a crib or two
I've come clean to be a bigger individual
Even though you're busy boo, the evenin's when I visit you

Kinda makes me feel lucky, 'cause I see niggas
When you tease 'em with your physical
She wanna rack up her brooms, I ain't got no more room left
Wild drama, section eight princess
My foreign chick bad, but she been stressed
'Cause it's hard to communicate
'Cause she don't speak no ingles
I been around the world from state to state
But now I'm back bustin' in your bathroom
Got you laughin in your shower cap, let's get it on
Cause I'm leavin in a hour flat, really don't matter, she's mad
Even when I holla back
All I really need your attention for a while
And, I bet you I can make you smile
(And)Whenever I'm not around, and you feelin' down
Let the thought of me be
Be the reason you smile
I don't wanna see you frown, like them kids watch a clown
I wanna bring you joy and be
Be the reason you smile
Baby, you know my style, you know how I get down
I provide by any means to be
Be the reason you smile
We done been through ups and downs, had drama for a while
I'm just happy I'm around to be
Be the reason you smileWhenever I'm not around, and you feelin' down
Let the thought of me be
Be the reason you smile
I don't wanna see you frown, like them kids watch a clown
I wanna bring you joy and be
Be the reason you smile
Baby, you know my style, you know how I get down
I provide by any means to be
Be the reason you smile
We done been through ups and downs, had drama for a while
I'm just happy I'm around to be
Be the reason you smileI wanna be the reason you smile
I wanna be the reason you smile
I wanna be the reason you smile
After you wipe away your tears and dry your eyes
