

# Forever Valentine

Charlie Wilson

[Verse 1]

I don't need the 14th (The 14th)  
To show how much you mean to me  
The one?thing?(The one thing)  
That?helps me keep my sanity  
You bring?(You bring)  
So much joy and energy  
Whoa-oh-oh-oh-oh  
Hold on (Hold on)  
Wait a minute (Wait a minute now)

[Pre-Chorus]

Light my fire, take your time  
Electrify my lovin'  
Cross my heart, hope to die  
'Tis the season for cuffin' (Okay)  
One day of the year  
Ain't enough for my baby, no  
No one day just ain't right

[Chorus]

So will you be mine?  
(Will you be mine? Will you be mine?)  
My forever Valentine?  
(Forever Valentine? Forever Valentine?)  
Come on, baby  
Say you will and make me  
The happiest man alive  
Baby, will you be mine?  
Will you be mine?  
Will you be mine?

[Verse 2]

It ain't gotta be February  
To break out some whipped cream and strawberries  
Ooh, you already know  
That my girl get what she want  
Queen of this love  
Queen of my heart  
Whoa-oh-oh-oh-oh

Hold on (Hold on)  
Wait a minute (Wait a minute now)

[Pre-Chorus]  
Light my fire, take your time  
Electrify my lovin'  
Cross my heart, hope to die  
'Tis the season for cuffin' (Okay)  
One day of the year  
Ain't enough for my baby, no  
No one day just ain't right

[Chorus]  
So will you be mine?  
(Will you be mine? Will you be mine?)  
My forever Valentine?  
(Forever Valentine? Forever Valentine?)  
Come on, baby  
Say you will and make me  
The happiest man alive  
Baby, will you be mine?  
Will you be mine?  
Will you be mine?
