

The Middle

Jimmy Eat World

[Verse 1]

Hey, don't write yourself off yet
It's only in your head you feel left out or looked down on
Just try your best, try everything you can
And don't you worry what they tell themselves when you're away

[Chorus]

It just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right, all right

[Verse 2]

Hey, you know they're all the same
You know you're doing better on your own, so don't buy in
Live right now, yeah, just be yourself
It doesn't matter if it's good enough for someone else

[Chorus]

It just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right, all right
It just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right, all right, woo!

[Guitar Solo]

[Verse 3]

Hey, don't write yourself off yet
It's only in your head you feel left out or looked down on
Just do your best, do everything you can
And don't you worry what their bitter hearts are gonna say

[Chorus]

It just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine

Everything, everything will be all right, all right
It just takes some time
Little girl, you're in the middle of the ride
Everything, everything will be just fine
Everything, everything will be all right
