

Transportin'

Kodak Black

Ain't gotta wait to make the movies, I be loaded
Why you out here drinkin' 40's, I just tote it
Still that same nigga in a foreign, but it's stolen
Ridin' sporty, actin' sporty, I can't control it
I'm doin' five, got that bag, yeah I'm transportin'
I got that bag on me nigga, like I'm Jansportin'
He dropped his mixtape, thought I woulda reposted
I ain't post his mixtape 'cause I don't fuck with shawty I be booted to the morning, PM to the morning
My lil' woday want a bag, I'm easier when I'm rolling
Hold up nigga, don't you owe me? Yeah you owe me, don't it?
Like I'm in Islands of Adventure how I stay rolling
Try to diss me
I need you six feet
She say she miss me
Then she went and kissed me
Damn, I'm so crispy
Xans got me dizzy
Ha try me I ain't shy
I keep that Glizzy
I was getting bent, yeah yeah french feet
What the lick read?
Baby, come and lick me
V12, how I'm ridin' in the 6 speed
I be ballin' on you niggas out of this league
Ain't gotta wait to make the movies, I be loaded
Why you out here drinkin' 40's, I just tote it
Still that same nigga in a foreign, but it's stolen
Ridin' sporty, actin' sporty, I can't control it
I'm doin' five, got that bag, yeah I'm transportin'
I got that bag on me nigga, like I'm Jansportin'
He dropped his mixtape, thought I woulda reposted
I ain't post his mixtape 'cause I don't fuck with shawty Yeah, that Glock got extended like a outlet
Are you out yet? I ain't catch you out yet
I'm so damn fly, I do not step
Yeah I pop molly and I pop checks
I don't where I'm goin', I'm just floatin'
My dawg got gun license but he let me hold it
All these niggas phony, I do not condone it
I be goin' ham, I do not baloney
It's a Kodak moment, yeah

Bought it 'cause I wanted it
I be on the corner, yeah
Fuck the law enforcement
Project Baby got no stroller but I keep pushin'
Shawty love for me to choke her when I'm in that pussy
Ain't gotta wait to make the movies, I be loaded
Why you out here drinkin' 40's, I just tote it
Still that same nigga in a foreign, but it's stolen
Ridin' sporty, actin' sporty, I can't control it
I'm doin' five, got that bag, yeah I'm transportin'
I got that bag on me nigga, like I'm Jansportin'
He dropped his mixtape, thought I woulda reposted
I ain't post his mixtape 'cause I don't fuck with shawty
