

# Finale (Can't Wait to See What You Do Next)

AJR

[Intro]

Don't you go, we need you here  
You brighten up this shitty year  
Well, congratulations on your bit of success  
We can't wait to see what you do next

[Verse 1: Jack Met]

Come outside, come outside  
You fell low, but now you're high  
You been outside, been outside  
So go ahead and do it one more time  
Come outside, come outside  
You went hard, and you did fine  
You been outside, been outside  
So go ahead and do it one more time (Do it one more time)

[Pre-Chorus: Jack Met]

They wanted, they wanted  
They wanted, they wanted

[Chorus: Jack Met]

They wanted heaven from me  
I gave 'em hell  
Now they want something bigger  
I'm overwhelmed  
And if you're just as hopeless (Hopeless)  
I wish you well  
We can't wait to see what you do next

[Verse 2: Jack Met]

Come outside, come outside  
You fell low, but now you're high  
You been outside, been outside  
So go ahead and do it one more time  
Come outside, come outside  
You went hard, and you did fine  
You been outside, been outside  
So go ahead and do it one more time (Do it one more time)

[Verse 3]

Don't you go (Don't you go)  
We need you here (We need you here)  
You brighten up this shitty year  
Well, congratulations on your bit of success  
We can't wait to see what you do next

[Pre-Chorus: Jack Met]  
They wanted, they wanted  
They wanted, they wanted

[Chorus: Jack Met]  
They wanted heaven from me  
I gave 'em hell  
Now they want something bigger  
I'm overwhelmed  
And if you're just as hopeless (Hopeless)  
I wish you well  
We can't wait to see what you do next

[Post-Chorus]  
We can't wait to see  
We can't wait to see  
We can't wait to see  
We can't wait to see

[Bridge: Jack Met]  
Can you wait a sec?  
Let me catch my breath?  
Let me catch my  
I can't remember how I got here  
Can you wait a sec? (Can you wait a sec?)  
Let me catch my breath?  
Let me catch my  
I can't remember how I got here, got here

[Outro: Jack Met]  
They wanted heaven from me  
I gave 'em hell  
Now they want something bigger  
I'm overwhelmed  
I think it's time to go now  
I think my curtain's falling  
Just don't forget about me  
When you get out of college  
If it's my final album  
And if I am forgotten  
I hope I made you smile  
That's all I ever wanted  
Congratulations on your bit of success
