

# Tell Lorrie I Love Her

[Keith Whitley](#)

If I were alone in the desert  
Without a drink of water around  
With my knees and hands in that white scorching sand  
With the hot Sahara sun beating down  
If I could be granted my wishes  
And anything I want would come true  
Well I know that it might sound funny  
But here's what I want you to do  
Tell Lorrie I love her, tell Lorrie I need her  
Tell her everything would be okay if I could just see her  
Tell Lorrie I love her, tell Lorrie I need her  
And if I leave this whole world, tell her she's the only girl for me  
If I were a drift on the ocean  
A vessel with no sails or steam  
Floating aimlessly on an endless sea  
Hopelessly lost it would seem  
If all of the fish in the water  
Could echo my last dying plea  
Well I know you might not understand it  
But here's what I want it to be  
Tell Lorrie I love her, tell Lorrie I need her  
Tell her everything would be okay if I could just see her  
Tell Lorrie I love her, tell Lorrie I need her  
And if I leave this whole world, tell her she's the only girl for me  
And if I leave this whole world, tell her she's the only girl for me
