The Adventures of Rain Dance Maggie-Red Hot Chili Peppers-I'm With You

Lipstick junkie debunked me all at once
She came back wearing a smile

Looking like someone drugged me
They wanted to unplug me
No one here is on trial it's just
A turnaround and we

Go oh well then we go oh o oh oh
Tick tock I want to rock you like the eighties
Cock blocking isn't allowed

Tug boat Sheila is in to memorabilia
Who said three is a crowd
We better get it on the go

(chorus)

Hey now, we've got to make it rain somehow
She told me that you would show me what to do
How Maggie makes it in a cloud

I said

Hey now, we've got to make it rain somehow
She told me that you would show me what to do
She knows how to make it loud

Rain dance Maggie advances to the final
Who knew that she had the goods

Little did I know her body
Was warm delicious vinyl
To your neck of the woods
I want to live a little bit

(chorus)

Hey now, we've got to make it rain somehow
She told me that you would show me what to do
How Maggie makes it in a cloud

(guitar solo)

You've got the wrong girl
But not for long girl
It's in the song girl
Cause I been gone girl

(chorus)

Hey now, we've got to make it rain somehow
She told me that you would show me what to do
How Maggie makes it in a cloud

I said

Hey now, I wanna rock this rowdy crowd
She told me that you would show me what to do
She knows how to make it loud

But not for long girl
It's in the song girl
Cause I been gone
bye bye bye yeah

Mm ba ba ba girl

(scat vocals)
