

# The Heart Wants What It Wants

Selena Gomez

You got me sippin' on something  
I can't compare to nothing  
I've ever known, I'm hoping  
That after this fever I'll survive  
I know I'm acting a bit crazy  
Strung out, a little bit hazy  
Hand over heart, I'm praying  
That I'm gonna make it out alive

The bed's getting cold and you're not here  
The future that we hold is so unclear  
But I'm not alive until you call  
And I'll bet the odds against it all  
Save your advice 'cause I won't hear  
You might be right but I don't care  
There's a million reasons why I should give you up  
But the heart wants what it wants  
The heart wants what it wants

You got me scattered in pieces  
Shining like stars and screaming  
Lighting me up like Venus  
But then you disappear and make me wait  
And every second's like torture  
Hell over trip, no more so  
Finding a way to let go  
Baby, baby, no I can't escape

The bed's getting cold and you're not here  
The future that we hold is so unclear  
But I'm not alive until you call  
And I'll bet the odds against it all  
Save your advice 'cause I won't hear  
You might be right but I don't care  
There's a million reasons why I should give you up  
But the heart wants what it wants  
The heart wants what it wants [3x]

This is a modern fairytale  
No happy endings  
No wind in our sails  
But I can't imagine a life without  
Breathless moments

Breaking me down, down, down, down

The bed's getting cold and you're not here

The future that we hold is so unclear

But I'm not alive until you call

And I'll bet the odds against it all

Save your advice 'cause I won't hear

You might be right but I don't care

There's a million reasons why I should give you up

But the heart wants what it wants

The heart wants what it wants [3x]

The heart wants what it wants, baby

It wants what it wants, baby

It wants what it wants [2x]
